## Planning Transportation for All Ages:

A Conversation Hosted by Southwest Region Planning Commission

March 7, 2019 from 3:00-4:30 p.m.

**Cheshire Medical Center**  
580 Court Street, Keene, NH  
Auditorium A & B

This event is one of several focus group meetings conducted in Southwest New Hampshire as part of an Age-Focused Planning Project. Join us to discuss the transportation needs and concerns of people of all ages. Your participation will help provide information that can be used to better understand the relationship between transportation and quality of life in the Monadnock Region.
