

Southwest Region Planning Commission's
Brownfields and Economic Development Advisory Committees present

Tools for Redevelopment

A presentation about the redevelopment of the Keene Railroad property and the Cheshire County Courthouse proposal, and some of the common tools that were used for the projects.

Courtyard Marriott
75 Railroad Street
Keene, NH

Thursday, July 22, 2010
Noon - 2:00 p.m.

Please join us to learn about these high profile redevelopment projects located in downtown Keene. The presentation will include a description of the SWRPC Brownfields Assessment program and how it is effectively being used in these two redevelopment initiatives.

- Learn details about two major redevelopment initiatives in Keene.
- Find out how SWRPC brownfields program funds are being used for their redevelopment risk assessment and financing.
- Take a walking tour of the Railroad property and its newly built facilities.

Lunch will be provided at \$10.00 per person

Please detach the registration form below and return to SWRPC no later than July 19, 2010
