2024 NH Legislative Session: A Focus on Planning

2024 is shaping up to be another active year at the State Capitol for bills relating to local and regional planning. Join SWRPC as we hear from the New Hampshire Municipal Association's Government Affairs Counsel, Natch Greyes, about various legislative initiatives and discuss their potential impact on local and regional planning. Mr. Greyes advocates for municipalities at the New Hampshire Legislature and provides legal advice and training to NHMA members and partner organizations. In addition to Mr. Greyes, local state legislators from the Region have been invited to attend the meeting to share information about their efforts and hear from constituents about legislative priorities.

Although there is no fee to attend, advance registration is required.
