

Town of Temple Complete Streets Policy Development

Task Force Meeting #2

April 15, 2024
4:30 p.m. to 6:00 p.m.

*Temple Town Hall
Annex Room
13 Main Street
Temple, NH 03084*

AGENDA

I. Recap of Meeting #1 – 10 minutes

A recap of Meeting #1, including a review of meeting notes as well as report-outs of activity that occurred since then.

II. Public Engagement Materials – 20 minutes

SWRPC staff will provide an update on how they addressed feedback on draft outreach materials and coordinate with Task Force members on the deadline for public input, and to finalize promotion and distribution plans.

III. Policy Development Discussion – 40 minutes

An open discussion about the questions from the homework assignment shared between meetings. SWRPC will ask follow-up questions related to comments and share best practices relative to the first few sections of a complete streets policy (i.e., Vision, Users and Modes, Projects and Phases, and Exceptions).

IV. Data Collection Technical Assistance – 10 minutes

SWRPC will suggest a handful of transportation-related studies or analyses (including field data collection) that the Town could request to improve their understanding of safety concerns like speeding.

V. Next Steps and Next Meeting (5/20/24) – 5 minutes

Schedule the next task force meeting and introduce upcoming topics: designation of street types and development of additional sections of the policy.
