**Brick by Brick: Building a Brighter Housing Future
in the Monadnock Region**

It's no secret: the Monadnock Region has a housing shortage. Vacancies are low. Rents and sale prices are high. Amidst the challenges, however, it's also important to celebrate progress and to recognize the work underway to help us keep moving forward. Please join us for an evening where we highlight a variety of projects and initiatives that are beginning to bear fruit—or are

budding with a promise of fruit to come. We'll discuss the ongoing Monadnock Region ADU Design Challenge, the formation of a regional housing development fund, and more.

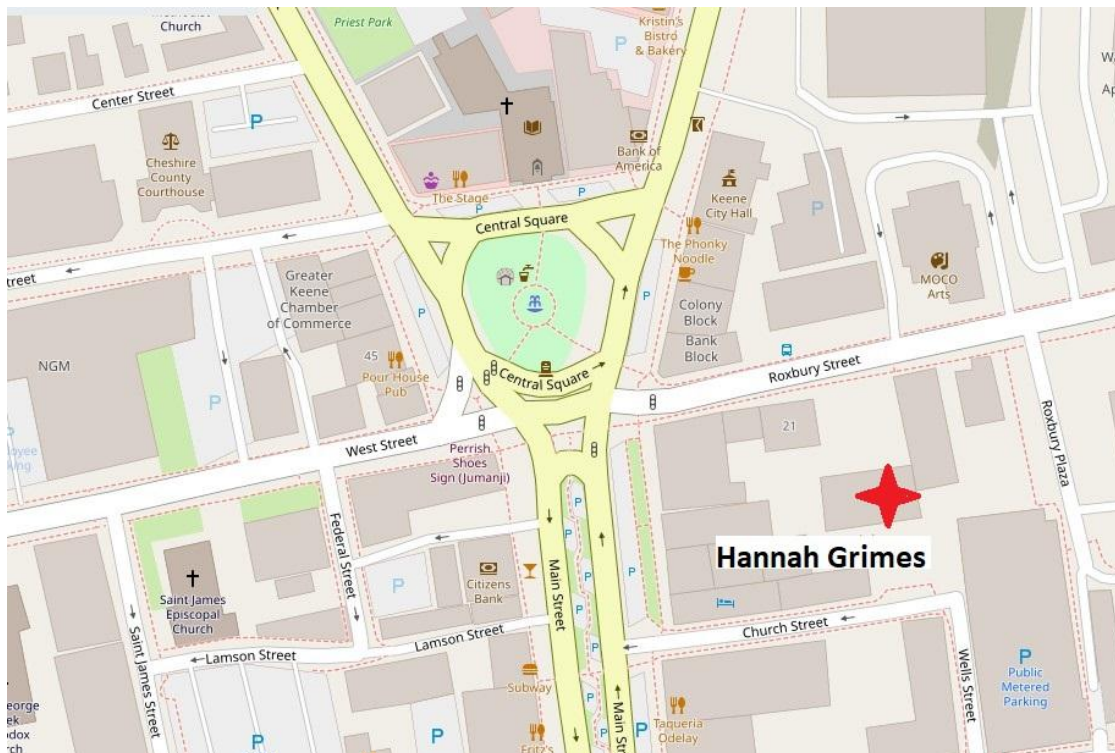

If you're interested in attending, please RSVP here. If you're working on or are aware of a housing-related project that deserves a shout out, please let us know via the registration form.
